SUES TO RECOVER ON PROPERTY

P. J. Maloney, through his attorney, Ross and Ross, has brought a suit in the superior court in unlawful detainer against E. S. Mason. The complaint alleges that in August 1918 defendant leased a certain parcel of property at Menlo Park from plaintiff agreeing to pay the sum of $200 a month as rental, that when the soldiers left he failed to pay the rent and is now $900 in arrears. Maloney prays that he be given a judgment for that amount and that his property be returned to him. He also asks for attorney fees in the sum of $100.

LOCAL EAGLES WILL FLY TO SAN JOSE TONIGHT

There will be a big flight of local Eagles to San Jose this evening. The big and little Eagles will fly in a bunch and will go south to assist San Jose Aerie in celebrating the twentieth anniversary of its birth. It will be a large time and much enjoyed by the local aerie. The San Jose Eagles have sent the following invitation and program broadcast:

We are going to celebrate our Twentieth Birthday as we did in the days when nobody swatted the fly, nobody had appendicitis, most Brother Eagles had livery bills, when a joy ride was a hay ride, and when nobody heard of a Tin Lizzie.

We are going to sing songs and tell stories of long ago, also welcome our boys who have returned from the service.

The program will be 1899, but the banquet will be 1919.

The officers of California State Aerie and the members of Hollister and Redwood City Aeries will be our guests on this evening.

Here are a few of the many stunts we will have on our program:

State President Warren Shannon will sell Tiger Fat as he did in 1899.

State Secretary Pohlmann will have a few facts and figures.

Brother Denegri in song, story and legerdemain.

Brother John Colver and his One-man Band.

Brother Denny Gray, harmonica soloist.

Brother Jacob Stacy, jews harp artist.

Brother Joe O'Sullivan will sing Irish melodies (not the goat song.)

Brother Monahan will have some new stories.

Tug of War between the members of Hollister and Redwood City Aeries.

First appearance of Brother Jas. Chloupek and his trained snake.

Vaudeville Acts from the various thetares.

Brother W. L. Biebrach, who will lead the singing, requests the members to practice up on the following songs.

"There will be a Hot Time in the Old Town To-night." "Annie Rooney." "Sidewalks of New York." "School Days." "Daisy Bell." "Old Black Joe." "Good Night Ladies" "Home, Sweet Home."

HIGH SCHOOL TRUSTEES RE-ELECTED FRIDAY

L. P. Behrens and W. A. Emmett were re-elected trustees of the Sequoia Union High School district at the election held last Friday. Both have served on the board from the organization of the school over 24 years ago. Mr. Behrens has been the president of the school board for fifteen years, serving faithfully and well. These gentlemen had no opposition for re-election. Mr. Emmett represents Belmont and Mr. Behrens Redwood City in the district.

MRS. ANNA DORCH DAUGHTER OF M. DOVE WEDS HENRY BRYANT

An interesting wedding took place at Oakland on Monday when Mrs. Anna Dorch, daughter of M. Dove of this city, became the bride of Henry (Happy) Bryant. Mr. Bryant is an aviator and also a skilled mechanic. He recently was mustered out of the service being attached to the aviation branch of the service at Florida. He is a flyer of ability and daring.

Mr. Bryant is at Modesto assisting his brother in conducting a garage there. He hopes to return to Redwood City when his brother will be enabled to open the aviation field here. The romance of the young people began here when Mrs. Bryant conducted the Belle Theatre here in 1918 and Bryant was doing his stunts in the air to the rear of the theatre. He is a noted birdman and has few equals as a flyer. The local aviation field will be opened when the government removes the ban put on private aviation schools during the war.

CITY BOARD HELD SPECIAL MEETING MONDAY NIGHT

At a special meeting of the board of town trustees held last Monday evening 25 prominent ladies of Redwood City appeared before the board and asked that the trustees fit up a swimming place near where the good ship Faith was launched for the benefit of the people. The trustees advised the ladies to confer with Geo. A. Merrill, the owner of the property, and ascertain if the land could be leased. This done the board would be in a position to act in the matter. The ladies lost no time but went at once to Mr. Merrill who agreed to deed sufficient land for the bath houses, etc., furnish lumber and sand for the bottom of the houses if the trustees would agree to keep the road leading from town to the water front in repair and in good condition. At another meeting of the trustees held on Wednesday evening it was agreed to accept the proposition advanced by Mr. Merrill and soon Redwood City will have a swimming place which all may feel proud of. The establishment of bath house at the water front is filling a long felt want. The ladies deserve the thanks of everyone in Redwood City for their efforts.

CHARLES MANLEY CHANGED PLEA TO GUILTY AS CHARGED

Charles Manley, charged with a heinous offense, withdrew his plea of "not guilty" in the superior court yesterday afternoon after a jury was selected to try his case and pleaded "guilty." He will be sentenced by Judge Buck next Monday morning. Manley is a pipe fitter and resided with his family at San Bruno.

LIEUTENANT GEO. BETTIN VISITS REDWOOD FRIENDS

Lieutenant George Bettin, who was recently mustered out of the service at Camp Lewis, visited friends in Redwood City on Tuesday. He was at Honolulu when the war was declared in 1917. He at once entered the reserve officers' training camp at that place and after sereval months' of active training was given a commission as first lieutenant. Some time afterwards he was sent with the Seventy-First infantry to Camp Lewis where he remained until he was mustered out. The young lieutenant was prepared to go with his regiment to the front when the war came to a close. Had the war continued another month he would have been in the midst of the fighting He was anxious to go and was disappointed when he discovered that he could not get across to flay the Germans. Mr. Bettin is a graduate of the local high school. He went to Honolulu to teach, there he met a pretty school marm and married her. Mr. and Mrs. Bettin will leave next week for Glendora to permanently reside. He secured the management of a large orange orchard there. Mr. Bettin liked army life but prefers to get back into civilian activities.

ANNOUNCEMENT OF FORD MOTOR COMPANY

On account of recent newspaper articles and the many rumors circulating over the country concerning a proposed new car to be manufactured by Mr. Henry Ford, we believe it advisable to inform our dealers generally, in order that you may intelligently and uniformly answer all inquiries.

In the first place, a large majority of the reports afloat are greatly distorted and exaggerated. A new car may be manufactured but as to when it will be manufactured we are not in position to say, except that we do know a new car could not possibly be designed, tested out, manufactured and marketed in quantities under two or three years' time.

There is nothing, however, indefinite about the present Ford car. There are over three million in daily use at the present time; and every one of our dealers, through their continued enthusiastic efforts, can dispose of our product as rapidly as manufactured. We intend to continue the production of the reliable Model T as aggressively as in the past, and feel that we have co-operation of our entire sales organization in forcibly impressing upon prospective buyers the exceptional high quality and dependability of the present Ford car, backed up by the entire strength of an organization already established.

Our factory and assembly plant production is being pushed to the limit, with the thought in mind of reaching our normal capacity of three thousand cars per day as quickly as possible, in order that the demands of prospective buyers might be met to the fullest possible extent and that our dealers might increase their profits proportionately.

We are also taking important steps to expand and extend our business abroad, especially in European countries including Russia.

With the above information, you should quickly offset any rumors which might tend to delay immediate sales.

Yours very truly,
FORD MOTOR CO.,
EDSEL B. FORD, President.

Original letter may be seen at D. M. Flynn's, local dealer.

LOCAL FISHERMEN TRY THEIR LUCK IN STREAMS

Guy P. Hull, Albert Mansfield, John Genochio and Jeff Moore bright and early on Tuesday morning sought the precincts of Purissima creek, the haunts of the trout, and had a good day's sport whipping the stream.

They secured the limit, fifty each, in beautiful rainbow trout. All report fishing excellent in that stream. The trout average eight inches in length. They are gamy and take the hook greedily.

The party was composed of veteran anglers who have gained reputations as fishermen and all agree that fishing this year is better than it has been in many seasons before.

Those who went to La Honda say the fish are small but gamy and plentiful. In another month the sport will be splendid there.

The 100 convalescent soldier boys from overseas who were the guests of Senator Phelan at his Saratoga ranch yesterday passed through town a little after 11 o'clock yesterday morning. They were scheduled to be here at 9:30. A nice program was arranged by the school children and the high school boys and girls but it began to rain about 11 o'clock so that the children had to retire. However when the soldiers did arrive they were treated to ice cream, cigarettes and gum by a bevy of pretty high school girls.

STAY IN AMERICA

Stop—every man and woman thinking of a trip to Europe and the motherland—stop, and think better of it. Humanity needs you where you are. Humanity needs you in America doing the things you are best fitted to do. Most of all your motherland needs you in America, and pleads with you to stay, and help her get from America the things that mean the breath of life to her.

Don't you know that all Europe is crying to America—to YOU—to feed and clothe her. She cries to us because America is the only country big enough, prosperous enough, powerful enough—not exhausted by war—that can help her quick enough, and sure enough to keep death and disaster from overwhelming her.

Hence it is America's sacred duty to labor for the relief of Europe. And because you are a part of America's power, upon which the life of Europe's people hangs, it is your sacred duty to stick with America, and help America fulfill her destiny of salvation to your motherland.

Why should you go to the war ravaged, famine-haunted lands of your birth? You cannot help the mohterland, or your relatives and friends in it. You would be heaping the load of your own hungry woe upon the already bitter burdens they must carry; for you would go to sorrow, misery and suffering by leaving America with its freedom of life, prosperity, food and safe living.

You cannot help yourself by going. You would go to a land of ruined factories, desolate fields, disorder, idleness, poverty and pestilence.

Do not be influenced by exaggerated stories of wealth and employment of the people, and accounts of plenty of food to be found in Europe. Your own common sense warns you that one of these can be till years of peace have rebuilt devastated Europe. You left the motherland when she at peace could not give you the liberty, the better life and living you yearned for. What can she give you now as she lies poverty-racked and famine-racked in these hours of war-wrought ruin?

Selfishness and unselfishness, common sense—all command you to stay in America; to invest your money here; to build yourselves permanent homes; to educate your children in the principles of American citizenship, and make and send across the sea the things that will wipe out misery abroad, and rebuild the land of your birth.

OUR NEW EQUIPMENT

In keeping with the modern trend of progress the Times-Gazette has installed practically a new printing plant.

New job presses, new type, border ornaments and many other new 'trimmins" which go to make up a first-class printery, has been installed and several hundred dollars worth of type is on the road from the foundry. The Hamilton Manufacturing Company, of Two Rivers, Wisconsin, is supplying a portion of the new equipment.

Since February 1, 1919 we have made about 200,000 impressions and are grinding out jobs as fast as the presses will permit, some work going as far as Alaska.

We are in a position to handle color work such as tints, duotones, trichromatics and plain two-color work.

Men's Health Remarkable.

As to the men at the station, the health record was something remarkable. Of course there was an infirmary, but the cases handled were almost entirely results of minor accidents. Not a case of typhoid was reported and only one of influenza. That one was contracted elsewhere. Officers of the station attribute this splendid condition of healthfulness to the model system of sanitation and drainage provided. The record speaks for itself. So if anyone is at all interested in the subject a visit to the station at the present time will prove to be an exceedingly educational and profitable experience.

I. C. U. CLUB ENTERTAIN MISS ELAINE CROWELL

A miscellaneous shower was given to Miss Elaine Crowell, young daughter of Mr. and Mrs. W. A. Crowell of this city, by the I. C. U. Club on Tuesday evening at the home of Miss Viola Kainen. It was a happy occasion, an evening of fun and merriment. The young ladies of the organization are all personal friends of the pretty bride-to-be. Those present were: Viola Kanien, Elaine Crowell, Norma Johnson, Dorothy Dearborn, Lila Genochio, Frances Williams, Adelaide Butts and Lauretta Williams. Miss Crowell, who is a very charming young lady, is soon to be married to Sergeant L. A. de Young. The gallant soldier only shortly returned from the battle front in France a short time ago. He has a brilliant record in the army

The Sergeant has four war crosses and a special citation issued by General Petain for bravery in some of the hottest engagements of the war. De Young still limps a bit from the buckshot the Germans pumped into his left leg with their sawed off shotguns.

The Sergeant didn't wait for the United States to get into the big melee, but went over in 1914 and joined the armored gun section of the Foreign Legation of the French army. When Uncle Sam went into action, De Young swung over to the tank corps of the American forces. He said:

Fog Bank Proves Gas

"We were in the great retreat from Antwerp to Ostend. We didn't know what poison gas was, and one day we saw what looked like a nice bank of fog in which to seek cover.

"Many of my fellow soldiers never came out of it. It wasn't fog. it was gas. I was gassed a second time some months later."

Smashes German Gun

Both the French and Belgians awarded decorations to De Young for a stunt he pulled off at Chateau Thierry July 18, 1918. He volunteered to go out to stop an enemy machine gun that was doing much havoc and returned with seven German prisoners.

Sergeant de Young was awarded the Legion of Honor cross and Croix de guerre while with the Foreign Legion and the Belgian war cross and medal militaire while in the United States army.

SAN CARLOS ITEMS

Mr. and Mrs. C. L. Ziegler and two children from Portland, Oregon have rented the Powers' bungalow. Mr. Ziegler and family motored from Portland to San Francisco in their Hupmobile last October and have been living in the metropolis since, until they found agreeable quarters down the peninsula.

Mr. and Mrs. Serrano of San Francisco are here as the guests of Mr. and Mrs. C. L. Ziegler.

So far no noe in San Carlos has been the recipients of any of those threatening letters as most of their money is tied up in liberty bonds.

Mr. J. W. Alves and family have moved to Belmont.

At the recent school election Mrs. Harry Wade-Mahany received 11 votes as trustee of the San Carlos primary school; and the candidates for trustee of the Redwood City high school received the following vote: Walter A. Emmitt, Sr. 9; L. P. Behrens, 8; Fred W. Lippman 1, and Miles A. Sharkey 1.

Mrs. Chas. H. Smith is up from Alhambra for a visit with Mrs. N. T. Smith while here her husband is absent on a business trip to Honolulu.

Miss Juanita de Lopez has returned from a month's visit with her parents at Morgan Hill and has resumed work with the S. P. Co. in San Francisco.

Fox-McNulty's delivery was here one day last week distributing a supply of their famous step-ladders to their various customers.

WOODSIDE

Frank H. Mowwe, the local contractor, is about to begin the erection of an handsome bungalow for Arthur W. Hooper, son of John A. Hooper, on the Hooper property here. It will add to Woodside's many attractions.

Rudolph Schilling and family have moved down from the city to occupy the Schilling home at Portola.

J. Meyer and wife have sold their property at Portola formerly known as the Burke ranch to Fred C. Frank, of San Francisco for $26,000. The deed to the property was filed in the recorder's office at Redwood City on Tuesday. The ranch comprises 260 acres of land. It was in times gone by famous as the Burke stock farm. It was the home of many noted racers that won fame on the turf for their owner, Frank Burke. His father was chief of police during the vigilantes regime. The father and son lived at the ranch enjoying the training of the trotters and racers. When both passed away the stock farm was sold.

Alleging that his wife, Mrs. Clara Hooper, refused to permit him to bring his sick and aged mother to their home in Woodside, William H. Hooper has filed suit for divorce.

He alleges that, although married twenty-eight years his wife has constantly hindered his efforts toward success and has opposed his entrance into business. He also says she nagged him.

Hooper is a well-known resident and was a candidate for supervisor of the Third Township several years ago.

NOW IS THE TIME

To Pack Eggs for Future Use

All surplus stock is going into storage.

Cheaper prices will not prevail this year.

This is the advice that we are receiving from the commission houses and we give it to you in order that you may use your own judgment.

Peace has not yet been declared. When commerce is established between the waring nations foods will move out of this country as they have never before and it is expected that higher prices will result.

We want your business and to get it we must prepare today to take care of you when you are pleased to give us that order. Don't go outside of Redwood City to buy your foods. They are being sold cheaper at home than elsewhere. Business is increasing and we will soon need more help. PACK EGGS NOW.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

A beautiful song with music just out dedicated to the war-times by Mr. Thos. Willis Nendick of Menlo Park.

When Donald Fell

"Over the top," he called, "and follow me"
And they answered him all with alacrity.

Thru' Hunnish fume and flame they fought and bled
Thru' with'ring rain of shot and shell
And first of all the gallant band he led
A hero died when Donald fell.
He found a grave among the bravest hearts and best
In all the pride of splendid youth.
alas,
For France he gave his life, calm be his rest
Beneath his lonely arch of grass.

In duty's name he craved a soldier's boon
To "do his bit" when they should deem
The hour arrived, the moment opportune,
He made the sacrifice supreme
And nevermore his voice shall greet our eager ears
That wholesome laugh we learned to love so well
Time, time alone can heal our wound and dry our tears,
And men shall say, a hero died, when Donald fell.

The mission in the Church of the Nativity begins tomorrow at 10:30 mass. Father McMullen a noted paulist father, will give the mission. He is one of the ablest pulpit orators in America. All are invited to come and hear this eloquent divine. The mission will be conducted all week and will close on Sunday next.

David Roche arrived in San Francisco last Friday from over seas and spent Sunday with his relatives here. He saw active service at the front, having been in the searchlight branch of the service. Mr. Roche tells some thrilling tales of his experience at the trenches. He expects to be mustered out in a few days when he will be glad to jump into civilian clothing.

Commander White of the U. S. Health Service is out from Washington and is at the base hospital where he will be in charge. He contemplates many improvements there. The buildings are to be raised and added to. Several new buildings will also be erected. The government intends to make the hospital a home for the crippled soldiers where they may learn trades.

Three trustees of the Menlo Park Fire Department are to be elected next Monday. The eletcion will take place at the Moose club and the polls will be open at 6 a. m. and close at 7 o'clock. The incumbent trustees are candidates for re-election. They are C. N. Walter, C. W. Marwedel and A. G. C. Hahn. They have served the district faithfully and with ability and deserve re-election. They have given the people a splendid new fire house which has just been completed. It is a credit to the community and will always stand as a monument to the integrity, taste and good judgment of the present board of trustees who have given their valuable time and attention to every detail of the construction.

Walter H. Linforth and family have moved down from the city for the summer months and are occupying their pretty home on Glenwood avenue.

Mrs. McNally received a telegram yesterday announcing the safe arrival of her nephew, J. C. Cullen, in New Jersey. He was with the 363d regiment. He expects to be in San Francisco in about two weeks.

L. E. Cooper, of Campbell, has been appointed temporary agent here for the Southern Pacific company. The regular agent will be selected for the position in 30 days.

Owing to the starting of a cannery in Mayfield business has been revived and the old town is going ahead by leaps and bounds. A rival bank is to be opened there by Judge Gilkey, a wealthy citizen of Idaho. If a little cannery will do so much for Mayfield what would the Ford factory do for Menlo Park should it come here. In a short time we would have ten banks and buildings twenty stories high. Ford thinks Menlo Park an ideal location and is seriously thinking of locating here.

There were 7560 dozen of eggs produced at Runymede last month, the colony receiving the big sum of $2721.16 for the eggs.

Judge Deasy of San Francisco moved into the Garibaldi place at Atherton on Tuesday. The Judge has leased the home for nineteen months.

Miss Helen and Miss Amy Cowell, owners of the Cowell Lime company, have purchased a five-acre tract adjoining their extensive and beautiful home on Camino Al Lago avenue, Atherton, from the Rankin estate. The property is a valuable parcel of rising land culminating in a knoll with a grand view of the surrounding country. It is the intention of the new owners to improve the holding. The reported price of the property was $900 an acre.

Menlo Park was signally honored by the King of England a short time ago when he awarded the British ribbon of merit to Miss M. J. Roche, daughter of David Roche of this place, for heroic services rendered while under fire. With 45 other nurses the young lady arrived on Tuesday from Brest. They were the first American nurses to arrive from over seas after this country entered the war. All were guests of King George and Queen Mary when they passed through England. Miss Roche resided in the east for a considerable time before going to Europe. She trained at Saint Francis hospital in San Francisco. She is now at the Lakeside Hospital, Cleveland. Miss Roche intends to visit her home here shortly. Her many friends are pleased to learn of her exploits at the battle front. They are proud of her heroism.

The old Barney ranch of 90 acres at Atherton adjoining the Stern home was recently purchased by J. H. Sullivan of San Francisco. Mr. Sullivan intends to improve portions of the land and to subdivide choice parcels that will be place on the market. Good building sites are located on the property.

Since the abandonment of Camp Fremont the town has been overrun with stray canines. Officers Brown and Maloney are doing splendid work in exterminating them with bullets. In future all stray dogs in town will be promptly disposed of.
